

Common Ground Garden Collegeville Artisan Bakery 2009 Bread Share Registration

We are very excited to partner with another local business to continue to try to build community around a culture of local foods. Starting in 2008, *Common Ground Garden* is partnering with *Collegeville Artisan Bakery (CAB)* to offer a bread share option for garden subscribers. *CAB* is a locally owned bakery that offers a variety of high-quality artisanal breads.

A bread share for the season will include 1 loaf of bread each week of the garden season (17-18 weeks) for \$90.00. Each week, members will receive a different type of bread at the discretion of the bakery. See below for a list of bread possibilities for the summer.

*****All breads contain wheat ingredients, some contain seeds or nuts, and all are prepared on shared equipment.*****
