Rainbows Eggs

2009 Egg Share Registration

Common Ground Garden members have often requested additional products to be offered through their subscriptions at the garden and we would like to be able to offer a variety of locally-grown products. *Common Ground Garden* is continuing to partner with *Rainbows Eggs* to offer an egg share option for garden subscribers. *Rainbows Eggs* is a local farm owned by Tim Kuebelbeck in Avon, Minn. Tim is raising free-range, naturally-grown chickens just a few miles from the garden. Egg shares are offered as a separate subscription option from the garden.

An egg share for the season will include 1/2 dozen eggs each week of the garden season (17-18 weeks) for \$22.50. If you have a large family or would like more eggs each week, please sign up for multiple shares.
