Walk in God’s Love—A Spiritual Journey allows individuals to reflect together in small groups for spiritual depth and growth in living their Christian life to love as God loves.

Do you desire to listen to God’s invitation to grow in living your faith?

Do you long to deepen your commitment to love as God loves?

Do you wish to explore with others how God is calling you to share your gifts and support those of other people?

Do you yearn to open your heart to the wisdom of the Holy Spirit and act as the Spirit prompts you?

If you answered “Yes” to these questions, this process is for you!

We are blessed to walk in the path of God’s love!
The process helps you to

**Listen** to God’s invitation to grow in your life of faith and to live fully your unique gifts.

**Respond** to God’s love in your own life and those of others.

**Share** in a safe and sacred environment deeply aware of the presence of the Holy Spirit.

The process is most effective with four to six participants coming together to share, to listen, and to respond to one another. A reflection guide consisting of readings, reflection questions, and prayer is provided for each session.
