With Grateful Hearts

Gratitude Day
Sunday, August 11, 2019
“Let the peace of Christ rule in your hearts ... And be thankful ... singing to God with gratitude in your hearts.” (Colossians 3:15–16)

Peace, thanks, gratitude: These are hallmarks of Christian life and a reason why we chose “with grateful hearts” as the theme for this year’s Gratitude Day. It is with grateful hearts that the sisters greet you today in a spirit of peace to thank you for all you have done throughout the past year to support our mission and ministries.

In a world which often seems anything but peaceful, it is a blessing to know that there are many people who truly desire to work for a more loving and just society. We are deeply grateful that you have partnered with us, through gifts of time, prayer and financial support, to try to make the Benedictine motto of “peace” a reality.

When you visit the ministry booths, you’ll be able see some of the ways you’ve supported us to make a difference. Our prayer ministry reaches people not only in the United States, but throughout the world; the monastery’s peace and justice group constantly works to help build a better, more loving society; sisters have volunteered to provide humanitarian support for immigrants fleeing violence, persecution and poverty as they cross the southern border into the U.S. You have helped make all this possible and you’ve also helped to ensure that we continue to provide a functional and pleasant living space for our sick and elderly sisters who reside at the “powerhouse of prayer,” Saint Scholastica Convent in St. Cloud.

Thank you for all that you do.

With grateful hearts,

---

Karen Rose, OSB
Director of Mission Advancement

Susan Rudolph, OSB
Prioress

Visit the Art and Heritage Place!

Haehn Museum

Take a tour of the Haehn Museum’s exhibit titled “It’s All God’s Work.” You will marvel over dozens of intricate pieces from the art needlework department of Saint Benedict’s Monastery, which was active for 101 years. The exhibit gives special recognition to Sister Justina Knapp, who was director of the department for nearly 50 years and even coined the term that became the exhibit’s name! Many items of liturgical vesture are displayed, as well as drawings and other pieces of exquisite embroidery. This is a one-of-its-kind needle arts collection you will want to see!

Whitby Gift Shop and Gallery

Go shopping at Whitby Gift Shop and Gallery, which boasts a large variety of items for sale, many handmade by the sisters. You will find scarves, cards, jewelry, artwork, religious items and more. The gallery is home to an eclectic collection of art either created by the sisters or selected from the sisters’ heritage collection. Most are available to purchase.
The Mother Benedicta Riepp Award, named after the foundress of our community, is awarded annually to a woman who has a connection with the sisters and exemplifies Benedictine and Gospel values in her daily life. This year’s recipient is a woman with the heart of a true Benedictine, and we are honored to present this award to Dr. Sheila Nelson.

Sheila is a professor in the sociology department at the College of Saint Benedict and Saint John’s University, and her connection with the Benedictine sisters is strengthened through her own understanding and appreciation for monastic life, as she spent 22 years living in a religious community. She is truly passionate about advocating for the underserved and marginalized and has done significant work for the LGBT communities within the context of Catholic social teaching. On this topic, she has written scholarly articles and papers, led discussions, served on boards and task forces and presented at national conferences. In 2016, she was awarded the Sister Linda Kulzer Gender Educator Award for her commitment to the development of gender studies as part of the CSB/SJU curriculum.

While her emphasis lies in gender studies, Sheila is passionate about many other social justice issues, as well. She has volunteered for Church of the Week housing homeless in St. Cloud, studied environmental sustainability and stewardship on a sustainability study tour in Norway and Sweden and helped improve the lives of the poor on a CSB Campus Ministry trip to Peru.

In her nomination letter, Sheila Hellermann wrote this about Sheila: “She inspires students, colleagues and friends, giving witness each and every day that service, following the Benedictine values, is important, not just on Sundays, but in every smile, conversation, and opportunity to connect.” Sheila’s life is truly a Benedictine light to the world, and Mother Benedicta Riepp would surely be proud of the way that she uses her expertise and passion to serve God and God’s people.

Thank you to Sheila Hellermann for the nomination.
Our hearts are filled with gratitude for all who donate their time and resources to help the sisters carry out our mission of responding to the needs of the Church and the world. We are especially grateful to the donors who gave during this past fiscal year (July 1, 2018–June 30, 2019). We received gifts totaling approximately $1.5 million.
